STATE ATTORNEYS

The Office of Program Policy Analysis and Government Accountability (OPPAGA) shall develop a weighted caseload model and conduct a workload assessment of the State Attorney and the Public Defender offices in all 20 Judicial Circuits. In developing the weighted caseload model, OPPAGA shall analyze caseload statistics based on the complexity of the various kinds of cases filed and the amount of time needed for state attorneys and public defenders to resolve these cases. OPPAGA shall also analyze whether the expansion of specialty courts has impacted the workload needs of state attorney and public defender offices. OPPAGA shall recommend any needed adjustments to the number of FTE necessary to meet the workload needs of each state attorney and public defender office by December 31, 2019.

PUBLIC DEFENDERS

The Office of Program Policy Analysis and Government Accountability (OPPAGA) shall develop a weighted caseload model and conduct a workload assessment of the State Attorney and the Public Defender offices in all 20 Judicial Circuits. In developing the weighted caseload model, OPPAGA shall analyze caseload statistics based on the complexity of the various kinds of cases filed and the amount of time needed for state attorneys and public defenders to resolve these cases. OPPAGA shall also analyze whether the expansion of specialty courts has impacted the workload needs of state attorney and public defender offices. OPPAGA shall recommend any needed adjustments to the number of FTE necessary to meet the workload needs of each state attorney and public defender office by December 31, 2019.

The funding will provide a stronger presence against cyber threats in the future. Cybersecurity navigators will assess the Supervisors of Elections cybersecurity posture, provide recommendations and best practices and policies to mitigate potential vulnerabilities or threats and determine a long-term strategy for cybersecurity efforts for the 2020 Election.

Funds in Specific Appropriation 3160 shall be distributed to county Supervisors of Elections for the continuation of cybersecurity initiatives and improvements made by Supervisors of Elections at the local level and in preparation for the 2020 Presidential Election. Additionally, funds shall be used for election administration activities such as voter education; poll worker training; standardizing elections results reporting; or other federal election administrative activities as approved by the Department of State.

County Supervisors of Elections will receive funds only after providing the Department of State a detailed description of the programs that will be implemented. Funds distributed to county Supervisors of Elections require a certification from the county that matching funds will be provided in an amount equal to fifteen percent of the amount to be received from the state.

Before a county Supervisor of Elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, and the certification of accurate and complete official election results, the software or technology must first be certified or approved, whichever is applicable, by the Department of State. Before the supervisor can receive funds for emerging or enhancing technology, the county Supervisor of Elections and the Chairperson of the county governing body must certify that the county has purchased and made available sufficient equipment for casting and counting ballots to meet the needs of the county electors including reducing the wait time at the polls during the early voting period and on election day for the next regularly scheduled general election.

To be eligible, a county must segregate federal funds and required county matching dollars in a separate account established to hold only such funds. Funds in this account must be used only for the activities for which the funds were received. Funds shall remain in the account to be used for the same purposes for subsequent years or until such funds are expended. Supervisors of Elections shall report to the Department of State any unspent funds remaining on June 30 of each fiscal year.
